

CHANGING TOMORROW, TODAY WITH A BEQUEST TO MELBA

Knowing that what you do today can change the future is a great feeling. And that's exactly what making a bequest can do.

After you have looked after your loved ones, you may consider choosing a charity to support in your Will. If you find yourself in this position, we ask that you consider Melba Support Services. Melba Support Services is a not-for-profit leader, supporting people with complex disabilities to live the life of their choosing. Everything we do at Melba is about individuals exercising choice and control over their daily life.

There are many ways you can give lasting hope for the future - no matter how big or small:

- A gift of a specific sum of money to Melba Support Services
- A percentage of your estate gifted to Melba Support Services
- Assets - for example, property, shares, artworks or cars - gifted to Melba Support Services
- The residue of your estate gifted to Melba Support Services - what remains after all other bequests have been granted
- Through the establishment of a trust fund where the capital and/or interest earned is donated to Melba Support Services
- By nominating Melba Support Services to be a beneficiary of your Insurance Policy or Superannuation.

A REAL DIFFERENCE KNOW THAT YOUR GIFT WILL IMPACT FUTURE GENERATIONS
